### Toys GS Mark Certification (EU)

- GS stands for "Geprüfte Sicherheit" (Tested Safety). The GS mark contributes effectively to consumer protection
- GS Mark Certification is a voluntary certification based on GPSG (Geräte- und Produktsicherheitsgesetz, or Equipment and Product Safety Act), and tests according to EN (EU standards), or DIN (German industry standards)
- Obtaining the GS Mark certification, which is trusted by consumers, demonstrates your commitment to provide safe toys products
- GS Mark certification is also a powerful marketing tool to enhance consumer's confidence
- TÜV SÜD has the authority and capabilities to conduct toys testing and issue GS Mark Certification

### 玩具GS Mark认证(欧盟)

- GS标准是德语缩写，其含义是经过安全性测试，GS标志带给消费者最有效的保护
- GS Mark认证，是以德国设备及产品安全法(GPSG)为依据，按照欧盟统一标准EN或德国工业标准DIN进行检测的一种自愿性认证
- 被消费者信任的GS Mark认证，可以帮助您做出承诺你的玩具产品是足够安全的
- GS Mark认证也是一个强有力的市场工具，能增强消费者的信心以及激发购买欲
- TÜV南德意志集团拥有高度权威和全面能力进行各类玩具产品测试并颁发玩具GS Mark认证

### TÜV SÜD Mark certification for toys (EU&US)

- TÜV SÜD mark certification provides verification to other quality aspects in addition to safety, e.g. all-round quality, annual factory inspection
- TÜV SÜD mark certification communicates your product's compliance with both legal standards and the quality requirements defined by consumers
- A toy with the TÜV SÜD certification mark offers features in addition to safety – product design, product performance, user-friendliness and service life

### 玩具TÜVMark认证(欧盟以及美国)

- TÜV Mark认证对于玩具产品提供除安全外更多的保证，例如全方位的质量保证，每年定期的工厂审核
- TÜV Mark认证宣告玩具同时符合了法令标准以及消费者的产品质量要求
- 如果你的玩具经过TÜV Mark认证，说明你的玩具拥有安全外，还拥有优良的外观和性能，以及良好的用户方便性和使用周期
